2. Letter to the contractor dated 15 February 1954 allowed this cost as an indirect charge against Contract (RD)XG-726.

3. Two offices of the Agency have contracts with this contractor. The security officer was requested to survey the contractor's place of business to determine the adequacy of the security protection and the need for it for the work being performed under both Agency contracts. As a result of this survey, the contractor was advised that the cost of the window guards is also allocable to Contract RD-35. See copy of letter attached.
